

Become a Volunteer at the Canaan Children Centre in Kisongo/Tanzania!

Partnership for
Africa Germany

The **Canaan Orphanage** for HIV-positive children is located in the village of Kisongo, about 20 minutes by car from the city of Arusha. Numerous children in Tanzania are dependent on care in an orphanage due to extreme poverty, violence, abuse or deceased parents. There are no state subsidies to support these children despite the fact that orphanages are often the only option for the development of the children. The Canaan Orphanage has quickly gained a reputation as one of the best orphanages in the region. Due to the overall global economic situation and the resulting increase in prices for food, learning materials and almost all other operating costs, the provision of children's basic needs is currently at risk.

The original center opened in 2013, and in 2024/25 it was completely renovated and expanded.

Living and working

The Center is equipped with two rooms for volunteers who can live right in the Center while volunteering for a few weeks or months. The mostly young people contribute to food and lodging and the income here flows directly into the center, which is used to finance food, clothing, education and care.

For both the interns and the children, volunteering in our orphanages is a great experience!

The two adjoining double bedrooms each have their own bathroom with shower. On the cozy balcony you can finish the day in the middle of the center.

- **Internship duration:** 1 week to 3 months
- **Language:** Good English language skills are a prerequisite
- **Areas of support:** Assistance in teaching and caring for pre-school children, activities for older children (sports, games), homework help, help with work in the centre (garden, farm, care).
- **Cost contribution:** 200 euros/per week for board and lodging, to be paid before departure, 300 euros/week for stays of less than two weeks.
- **Accommodation:** well-appointed double rooms with en-suite bathroom with toilet and shower
- **Meals:** Breakfast and one full meal per day included
- **Contact:** If you are interested, please contact us at: info@partnerschaft-fuer-afrika.de
